## An extra-extraordinary summer!

It's always a great joy bringing you a superb lineup of summer concerts with the renowned Pasadena POPS. This year, we kick off opening night with a special segment paying tribute to my dear friend Liza Minnelli, along with Alan Cumming, Joel Grey with the legendary Liza herself and more.

We've got the original cast of Jersey Boys, award winning Broadway stars singing the music of Gershwin and his contemporaries - plus the wonderful movie music of Universal Studios.

Bring a few friends and maybe a picnic basket to our beautiful outdoor summer venue. Drink the music that makes life worth living and [see the stars under the stars.](#)

I look forward to seeing you at the Arboretum.
