Take time for your self. *Be here with us.*

We are all, it seems, busier than ever. The pace of everyday life has grown faster and more exacting. That makes it all the more important that we pull ourselves away, so as to reignite within ourselves the passions that reside within us. Brilliant music reminds us of our potential, awakens us to thought and feeling, and restores us to who we really are.

Music brings us back to life.

This season, our program spans the gamut of masterworks from Elgar to Mozart, from Stravinsky to Beethoven, to Tchaikovsky and Rachmaninoff, and Bach again. We're bringing you two world premieres, vibrant concertos, and passionate masterpieces from the exotic to your most beloved favorites. In short, we're bringing you a season guaranteed to bring you to your feet.

When you pair our world-class Pasadena Symphony with the acoustically incomparable Ambassador Auditorium, what results are six musical events that stir your soul to feeling fully alive.

All we need now is you.

Please join us for this extraordinary season.
Be. Hear. Now.

David Lockington
Music Director
